TERMS AND CONDITION OF THE WORK:

1. **Location of the work:** The work is to be carried out in the NERIWALM campus located at Dolabari, Tezpur, P.O. Kaliabhomora -784027, Assam, India.
2. **Period of contract:** The annual maintenance work will be allotted initially for a period of two (2) year. The work can be extended for a further period of one year and more on mutual understanding of both the parties at same terms and conditions provided the NERIWALM authority is satisfied by the work performance of the contractor. The date of commencement of the work shall be notified after observing all formalities. The work shall be carried out 6 (six) day in a week.

3. **Nature of the works:** Maintenance activities will have to be carried out as per the "Schedule of works" decided by the concerned Officer In-charge under his/her supervision/ guidance and to satisfaction of the Director, NERIWALM.

Part 1: Maintenance works include horticulture activities/ landscaping like lawn, trees, shrubs, seasonal flower beds, creepers, potted plants, ground cover, watering, cleaning of beds, mowing, weeding, hoeing, fine dressing, pruning, earthing up, irrigation etc. Necessary supply of labours, fertilizers & manures, required agrochemicals, seeds/seedlings of seasonal flowers, shrubs and trees need to be done by the contractor in his own cost.

Part B: Maintenance works include agriculture and horticulture activities/ trees, shrubs, seasonal flower beds, shall include cost and supply of labours for this. Consumables, seed and seedlings, fertilizers and agrochemicals are supplied by the institute.

The rate(s) quoted by the contractor should be inclusive of all taxes but excluding GST etc. whichever applicable as shown in tender document.

Any delay or damage caused to the planting materials/ landscaped areas and Institute's properties by the contractor during the execution of the works shall be replaced /repaired by the contractor at his own cost and risk.

4. **Facilities to be offered by NERIWALM:** NERIWALM shall provide water for irrigation and electricity for operating machineries/tools to the contractor/ service provider from the possible nearest points/locations for execution of the work as and when necessary. No implements/machineries will be provided by NERIWALM for Part 1 of this work.
5. **Security deposit:** Security deposit @ 5% of the tendered or accepted value of the work in the form of Demand Draft or bankers cheque drawn in favour of Director, NERIWALM should be deposited before taking up the maintenance works. The earnest money may be adjusted with the security deposit.
6. **Terms of payment:** The payment shall be made on monthly basis on the basis of actual quantum of work (whole or part of any item) executed, accepted and certified by the concerned Officer-in-charge and to the satisfaction of the Director, NERIWALM. Payment will be made preferably before 10th of every month on submission of bill in duplicate addressed to the Director, NERIWALM, Tezpur within first week of each month.
No increase or decrease in the work value in less than 10% increase or decrease of actual quantum of work then the quantum of work tendered.
No advance payment shall be made under any circumstances.
Income tax and other taxes as applicable, if any, shall be deducted at source from the contractor's monthly bill.

7. **Engagement of labour:**

- a. The contractor shall not employ a person as labour who has not completed 15 years of age. Age proof may be submitted.
- b. **For Part A:** A minimum of 1 (one) semi-skilled and 3 (three) unskilled regular labours should be engaged six days a week for the maintenance work. In case of exigencies, NERIWALM (shall be referred as Institute) may ask to offer service at time even on Sundays and holidays. The Institute may issue advance intimation before 24 hours for the purpose. No extra payment will be made for exigencies works.

Part B: A minimum of 4 (four) un-skilled regular labours should be engaged six days a week for the maintenance work. In case of exigencies, Institute may ask to offer service at time even on Sundays and holidays. The Institute may issue advance intimation before 24 hours for the purpose. No extra payment will be made for exigencies works.

- d. An Attendance Register shall be maintained by the contractor for the labour engaged by him/her which will be examined/checked by the Officer-in-charge of the Institute as and when felt necessary.
 - e. Payment to the labours should be made by the contractor as per the minimum wages notified by the Govt. of India within 10th day of every month in presence of the concerned Officer-in-charge. The payment register should be made available to the Institute for necessary checking every month after disbursement of wages.
 - f. The contractor should ensure that the labour engaged for work should be disciplined, well mannered, obedient and does not roam around the campus unnecessarily both during duty hours and non-duty hours.
 - l. If any misconduct of labour is reported, the contractor should immediately replace him.
8. **Schedule Quantities of items:** The quantities shown in the "Schedule of Items" are estimated quantities only. The Quantities of different items may vary depending upon the various conditions/situations during execution of the work and payment will be made as per the actual measurement only.
 9. **Implements:** Implements such as power mower, brush cutter, scissors/ hedge cutter, lawn mower, daw, sickle, spade, khurpi, watering pipe, watering cane, pesticide sprayer, weedicide sprayer, ladder etc. required for the work will have to be arranged or made available by the contractor at his own risk and cost **for Part 1 of the work.**
 10. **Consumable Items:** The consumable items such as manure, fertilizer, seeds & seedlings of seasonal flowers and trees & shrubs (as and when necessary), pesticides/fungicides, cow-dung/FYM, bamboo, jharu, bamboo basket, rope etc. will have to be supplied by the contractor as and when needed at his own risk and cost **for Part 1 of the work.**
 11. The garbage collected from working sites should be disposed-off immediately. No litters/garbage should be allowed to be accumulated in the lawns or at any place within the campus at any point of time.
 12. The contractor should take necessary risk for the labour for any type of accident that may arise at the work site or within the campus.
 13. The Director, NERIWALM reserves the right to cancel the agreement/work allotted to the contractor at any time without assigning any reason thereof and decision of the Director will be binding to the contractor.
 14. An agreement has to be signed by the Contractor with the Institute before undertaking the work.
 15. The Director, NERIWALM reserves the right to accept/reject any or all tender without assigning any reason thereof.
 16. A statutory provision is kept in the labour component that, as per revision of labour rates by the Ministry of labour and Employment, Government of India, the labour cost will be changed and labour payment has to be made as per new revision.
 17. Any other items and conditions which are not covered above, the Director, NERIWALM will be the sole authority to dispose the matter judiciously and amicably.
